

**VEETEEDE AMET**  
**ESTONIAN MARITIME ADMINISTRATION**

04.04.2009 N° 5-1-11/915

To whom it may concern

Estonian Maritime Administration hereby inform you about the decision which was made concerning LRIT.

The four ASP companies, authorised by Estonian Maritime Administration for conformance testing for ships flying Estonian flag, are the following:

- Pole Star Space Applications Ltd ([www.polestarglobal.com](http://www.polestarglobal.com));
- Fulcrum Maritime Systems Ltd ([www.fulcrum-maritime.com](http://www.fulcrum-maritime.com));
- CLS ([www.lrit.fr](http://www.lrit.fr));
- Thrane & Thrane A/S ([www.thrane.com](http://www.thrane.com)).

After the conformance testing, shipborn equipment will be certified by our Administration as meeting the requirements of relevant resolutions and guidelines issued by IMO and valid at the time of testing.

The original of the Certificate of Compliance should be kept on board of ships.

This letter revokes our letter no 5-1.11/3655 from 29.12.2008.

Yours faithfully

Jaanus Matso  
Deputy Head of Maritime Safety Division
